Ecology and religion : ecological spirituality in cross ...

In the last two decades, the connections between religion and ecology have been manifest by explosive growth in theological writings, scholarship, institutional commitment, and public action. Theologians from every religious tradition—along with dozens of non-denominational spiritual writers—have confronted religions' attitudes toward nature and complicity in the environmental crisis.

Introduction: Religion and Ecology—What Is the Connection ...

Ecological spirituality requires that we keep in focus that the second person of the Trinity has come and remains with humanity through the Church. What we do to our human flesh, then, we are

somehow doing to the Christ, and what we do to our environment, our earthly home, we are doing to our flesh.

An Ecological Spirituality | USCCB

Ecological Spirituality . I said earlier that the second thing we could do with a deepened sense of ecology is to use it as a metaphor for certain human concerns. I propose now to apply it to the possibility of a planetary spirituality. We can see ecology as spirituality and again we can see spirituality as ecological.

EUCCHARISTIC ECOLOGY AND ECOLOGICAL SPIRITUALITY By ...

Spirituality is a more inclusive description than religion, for many outside of institutional religion, who describe themselves, as “spiritual but not religious.” Spiritual ecology allows for a middle ground where religious folks, whose spiritual practices lead to environmental action, meet fellow travelers, whose environmental work fosters a spirituality in nature.

Spiritual Ecology: Environmental Organziations as "Climate ...

Spiritual ecology is an emerging field in religion, conservation, and academia recognizing that there is a spiritual facet to all issues related to conservation, environmentalism, and earth stewardship. Proponents of Spiritual Ecology assert a need for contemporary conservation work to include spiritual elements and for contemporary religion and spirituality to include awareness of and ...

Spiritual ecology - Wikipedia

This programme in Ecology and Spirituality explores the relationship between spirituality, religion, philosophy on the one hand, and ecology on the other. We can ask whether spirituality and religion may be causes of current ecological crises, or offer solutions to the systemic ecological crises in which we find ourselves.
