"For a novel that takes place on three different continents over a period of thirty years, Tom Rachman's The Rise & Fall of Great Powers is a surprisingly small story. That's probably what makes it so good: Even with all the flights of fancy and exotic locales, the characters in it are beautifully human, even if half of them are con artists with Dickensian names.

"I wanted to show, as Tooty's life unfolds [in The Rise & Fall of Great Powers], how one's earliest stories condition how one encounters the world: what one expects of strangers, whether one counts on justice, whether one veers into cynicism or veers back again." — Tom Rachman, The Rise & Fall of Great Powers

The Rise & Fall of Great Powers Quotes by Tom Rachman
Paul Kennedy's The Rise and Fall of the Great Powers, which surveys 500 years of global political history, was published in 1987. Tom Rachman's second novel shares its name almost exactly with Kennedy's work and opens the following year, with nine-year-old Tooty Zylberberg moving from Australia to Bangkok, accompanied by a man who may or may not be a relative.
