Description: This manual covers All South Bend Lathes This is the second in a series of four manuals that South Bend put out for owners on taking care of your lathe. It covers the importance of keeping your lathe well oiled and how to go about oiling it properly. It shows the oiling locations of the lathe, and how often each should be lubricated.

South Bend Oiling The Lathe Instruction Manual #931 | eBay

Steve Wells has the manual for the South Bend 14 on his site. I downloaded it last year when I was looking at replacing my old 10k. The manual is thorough, listing part numbers and diagramming the assembly of the lathe. There may be a wiring schematic as well, I can't remember for sure.
