COLE — SINGULARITY

The trouble is, 'The Blackbird Singularity' was just a little too obtuse, for my taste anyway. At times, it was hard to gauge whether one was reading about the fantasies of the bipolar mind or whether the paranormal had been brought into the story. Regardless, these sections of the story were creepy, ...

The Blackbird Singularity would be a great novel for book groups to discuss because different people may have conflicting interpretations of the symbolism and may also be in disagreement over what is real and what

is imagined in Vince's narrative.

Book review : The Blackbird Singularity - Matt Wilven

Legend Press takes flight with Blackbird acquisition. Legend Press has signed Matt Wilven's "startling and brave" debut novel The Blackbird Singularity, to be published in August 2016.

The Blackbird Singularity | The Bookseller

Matt Wilven does something wonderful and much needed with his debut novel, The Blackbird Singularity; he makes mental illness approachable and real. In an age when every act of mass violence is pegged either on radical fundamentalists or "crazy" people, having and managing a mental illness is an unheard of feat.
