### **The Culture Of Islam Changing**

The Culture of Islam is both an antidote to simplified versions of Islam circulating today and a consistent story of the continuities that account for much of ordinary Muslim life. It offers, in its human stories and its insights, its own contribution, as the author says, "to the mutual understanding and forgiveness that alone will make true peace possible."

It has been a fundamental part of Western culture for centuries and is legally protected. No government has a mandate from the people to change that most basic feature of our culture. Yet by bankrolling polygamy, the government is effectively encouraging the growth of an Islamic polygamous culture in British society.

## **Islam is changing the West - The Commentator**

The Muslim culture also altered the society's view on the matrimony of its women. While many customs were not abolished, they were looked at in a different light. For example, the practice of giving a dowry, which was considered a bride-price by the bride's father to the groom, became a gift from the father to the bride, and was now considered her property, not her husband's.

## **Understanding the Culture of Muslim Women**

Muslim society over the centuries has treated women as second class citizens. It's been this way since the beginning of time. Women are treated in this manor for a number of reasons, but all leading back to the Quran. Women are considered inferior to men, are treated unfairly in marriage, and even are oppressed legally,...

As Islam spread throughout the world its culture and traditions were influenced by Mongol, Persian, Turkic, Berber, Indian and Indonesian cultures. The current Islamic practices and customs are the result of amalgamation of local culture and Muslim beliefs.

## **A Meaningful Insight Into Muslim Culture and Traditions ...**

Islam, like Christianity and Judaism, is both a religion and culture. In Jordan, the cultural role Islam plays in society demonstrates the ability for both Christians and Muslims to identify with a common culture. This is an important point because it challenges the status quo of Islam being incompatible with democracy.
