The Death and Life of Great American Cities is a 1961 book by writer and activist Jane Jacobs. The book is a critique of 1950s urban planning policy, which it holds responsible for the decline of many city neighborhoods in the United States. The book is Jacobs' best-known and most influential work.

The Death and Life of Great American Cities - Wikipedia

The Death and Life of the Great Lakes was one of those books that was fascinating and engaging well beyond my expectations. No one was more surprised than me that the history of the Great Lakes would be so captivating. But this was far more than a history book. It's also a bit of an horror story without the inevitability of doom.

The Death and Life of the Great Lakes by Dan Egan

Death and life is always Klimt's central themes, central also to his contemporaries, among them Edvard Munch and Egon Schiele. Klimt makes of it a modern dance of death, but unlike Schiele, he introduces a note of hope and reconciliation, instead of feeling threatened by the figure of death, his human beings seem to disregard it.
