The End of Power by Moises Naim review - a study in mass ...

Waves of Power. Though the concentration of power has waxed and waned over the centuries, the influence of the powerful has grown since the Industrial Revolution. Since the early 1900s, nations, the church, institutions and organizations have gotten larger and more complex, acquiring greater reach and power.

The End of Power Free Summary by Moisés Naim

Traditional centers of power (governments, large private corporations, etc.) are increasingly facing more nimble "micropowers" such as hackers, single-issue activists and political fringe parties. The established actors now face the challenge to deal with the threat micropowers pose. The title of the book is misleading: power is not about to end.

Book review: "The End of Power" by Moisés Naim

"PROPENSITY OF THE YOUNG TO QUESTION AUTHORITY AND challenge power is now amplified by the More and Mobility revolutions. Not only are there more people than ever under thirty, but they have more—prepaid calling-cards, radios, TVs, cellphones, computers, and access to the Internet as well as to travel and communication possibilities with others like them at home and around the world.
