Money is an expression of energy and we use it to support our life. Consciousness is the awareness and internal knowing of thoughts, feelings and experiences. When money is earned, spent, saved and given consciously, it reflects what we value most. It becomes an intuitive gauge for who we are, what we stand for and where we are headed.

Using the Energy of Money. To use the energy of money successfully, you need to operate in both physical reality and the metaphysical reality made up of, among other things, dreams, visions, and your Life's Intentions. Our inner visions inspire us, but we can't be content merely to "metafizzle" our ideas without taking any action in the real world.
