The Helsinki School Young Photography

The Helsinki School represents far more than a selected group of photographers from Aalto University School of Arts, Design and Architecture. It has been the model for a new approach to education as well as a vehicle for collaborative thought and cooperation.

This second installment of The Helsinki School approaches conceptual photography through the dialogue between one generation and another, among artists who have taught at and attended photography programs at the close-knit University of Art and Design Helsinki, Finland, TaiK. Among the mentors are Aino Kannisto, whose somber young women look out from staged scenes with visual echoes of ...

Comments/Context: While there are many universities and art schools around the world with strong programs in photography, the Helsinki School is certainly one that would be on many people's short list of the most innovative. Unfortunately for those of us in New York, we only get to see the work of the school's graduates intermittently, as most of the artists/photographers lack American ...
