The New Industrial State is a 1967 book by John Kenneth Galbraith. Three revised editions appeared in 1972, 1978 and 1985.

The New Industrial State
"Praise for the original edition: "The New Industrial State deserves the widest possible attention and discussion."—Raymond J. Saulnier, New York Times"Praise for the original edition: "[The New Industrial State] is a dazzling work, full of brilliant epigrams, intriguing aphorisms and sardonic humor."—Harvey H. Segal, Washington Post"Praise for the original edition: "[W]ithout a doubt ...

The New Industrial State
With searing wit and incisive commentary, John Kenneth Galbraith redefined America's perception of itself in The New Industrial State, one of his landmark works. The United States is no longer a free-enterprise society, Galbraith argues, but a structured state controlled by the largest companies. Advertising is the means by which these companies manage demand and create consumer "need" where ...

State unveils new industrial policy - The Hindu
[This Post initially appeared in HBR Online on August 22, 2017]. This summer marks 50 years since the publication of John Kenneth Galbraith's The New Industrial State and its quick rise to the top of the New York Times Best Seller list. The book was one of the rare instances where an economist was able to capture public imagination and focus debate on big-picture economic issues.
